How Can YOU Help Bob the Havanese Find His Forever Home?

For most of us sharing comes naturally, in fact, sharing food, fun and experiences is how we learned to be social as children. Today, social sharing is the simplest form of communicating and we can easily share information with the world instantly and intuitively.

Social sharing sites like Pinterest, Facebook, Twitter, checkthis, blogs, Petfinder, etc. are extremely valuable tools for an organization like Havanese Rescue Inc. HRI is currently using these sites to promote fundraisers, to assist in searches for lost dogs, to advertise our HavToHavIt General Store, and to find homes for our foster dogs.

Our HRI website includes [AddThis](#) buttons for sharing articles and listings of adoptable dogs as well as [Facebook](#), [Twitter](#) and [Pinterest](#) accounts. One of our

We can only be as successful as the amount of "shares" that are generated, and this is where each of you can play a key role. Whether it's Bob or Ozzy, or any one of the dogs in Havanese Rescue Inc, use the AddThis button and then share a dog's listing with your address book, post to Facebook, tweet it and pin it.

Together we can all help to bring Bob and other HRI dogs home to the forever families they deserve!

IMPACT OF USDA PROPOSED REGULATION ON RESCUE

The USDA has proposed legislation that will close the loophole on retail pet sales.

Rescue groups are classified as retail pet sellers. If passed, this legislation will change how rescues adopt out their animals. To maintain their exempt status, rescues will need to adopt out animals from their homes, otherwise they will need to become licensed by the USDA as dealers.

The requirement will be that each adopter enters the

foster parent's home at least once during the process (could be just a visit to meet the dog, or picking the dog up) which will present rescue with few choices. Many, if not most, of HRI's adoptions involve geographic distances which would make it very difficult to meet this requirement. This will limit the number of potential homes for each of our dogs.

Other impacts will be:

- Breeders will no longer be able to assist rescue by fostering dogs unless they are willing to lose their exemption from licensing. This will have a severe impact on purebred rescue.
- Rescue groups will not be able to offer dogs/cats for adoption at "adoption events" in places such as pet stores or pet expos.

HRI needs your help! If this legislation passes, HRI (and many other rescue groups) will no longer be able to foster the dogs that rely on rescue.

Adoption Corner

Ozzy is a four-month-old puppy in a field of green!

Who could be cuter than this little guy? His foster mom, Charlene Renslow, has some very great stories to share with us!

Little Ozzy is incredibly full of life, and is an active boy as

all Havanese puppies should be! He enjoys playing outside and has made an adventure out of chasing bugs. Full of energy and enthusiasm, he makes friends wherever he ventures.

His favorite toys are anything he can chew and toys that squeak. A favorite activity is licking peanut butter out of his Kong. He is getting ready for his big boy teeth now!

Ozzy loves going out for walks, too. He is already leash trained and can hardly wait to jog down the sidewalk. He rides very nicely in the car and plays like there is no tomorrow with his buddies in his puppy play group. He loves everyone, including cats. What could be better than this!

Is Ozzy the magic you need in your life? Remember there is no place like a forever home!
