Changing Lives

Adoption Corner

Our mission statement reads "Changing lives, one Havanese at a time." What is so fantastic about our featured member this month is how she has changed all our lives, "one volunteer" at a time! Jane Hohne is the epitome of the heart and soul of Havanese Rescue.

Nine-month-old Georgie is an inquisitive chocolate-and-white-colored thirteen-pound boy. He is full of gentle sweetness and a sincere desire to please. The typical Havie temperament is slowly emerging and outweighing his shyness.

Georgie is always searching for the hidden toys to scatter about the house, nosing for the treat hidden in his foster dad's hand, and is initiating play sessions with the resident pups in his foster home.

Georgie is crate and housetrained. Still a bit insecure, he leads the way back to the driveway and door as soon as "business" is done. He loves to go on short walks.

Georgie needs a dog-savvy guardian, one who can read his cues when he is uncomfortable. A family with patience and the willingness to guide and train him to be the confident and self-assured pup

over the years.

- Our very first Dog Wrangler
- State Contacts Coordinator
- Secretary on the HRI Board
- Vice President
- President
- Past President
- Currently co-chair of our Intake Department with Jenny French
- Currently Regional Coordinator West with Andrea Marsden

But that's not all! Jane has been a tireless worker at all of our national specialty shows. She and her husband, Paul, always donate really cool items to our auctions. Raising funds to help support our Havanese rescue programs is critical to our mission statement.

A little over one year ago, Jane and Paul moved to Belize along with their dogs, Georgia and Pocket.

Do you think that moving to Central America would slow this woman down? No way! Jane continues her volunteer efforts with HRI as well as volunteering for a local dog rescue group in Belize.

Jane, a huge "Thank You" for your commitment to our dogs, and all of us at HRI.

Brrrr...Baby It's Cold Outside

that is still somewhat hidden behind that adorable face.

Georgie is being fostered in northern CA.
