

Your Havanese Oughta Be In Pictures!

It is time to claim a day on our Rescue Calendar for your special Havanese or other pet while helping our Rescue dogs!

1. First, complete this form using your TAB key to move between boxes.
2. If you have more than 5 entries you will have to write additional information on the back of the form once it is printed.
3. Remember to provide the 3 required alternative choice dates for each submission just in case. It could be a birth date, a Gotcha date for a favorite foster, an adoption date...
4. Print **two** copies of the form; one for your records and one to mail in with your payment. Get that done ASAP because dates will be assigned only when payment is received.

Then you will need to carefully select the jpeg photo image(s) you want published. Remember, calendar squares are small so close ups are better. The photo should be attached to an email and sent to havfriends@gmail.com with your name, the dog(s) name, and the month and day selected for each. That way we can match photo files to opportunity/payment form when it arrives. Please, though - no people pictures. Don't delay!!!
