

**TERMS & AGREEMENTS FOR THE HAVANESE RESCUE, INC (HRI)**  
**FOSTER-TO-ADOPT (F2A) PROGRAM**

Fostering Duration

Two to four weeks upon taking the dog

Basic Care

In addition to providing food and shelter, the F2A is responsible for the purchase and administration of flea/tick and heartworm medications for the dog. Because you have the advantage of first choice of the dog, the F2A is encouraged to absorb the cost of spay or neuter if these are needed. Please utilize a low cost vet clinic for these procedures if HRI is to pay. HRI will provide for a routine wellness check and tests per our HRI Veterinary protocol. In the event the dog requires medical treatment, the F2A will need to inform HRI and provide an estimate of the cost for approval from HRI. Of course, in the event of an emergency, seek care first and contact HRI afterwards.

Communication

F2A maintains communication at least weekly with the state contact to provide updates (progress, habits, etc) on dog, and/or discuss any situations that may arise ( e.g. medical/behavioral issues that need to be addressed)

Adoption

Discussion to determine whether F2A is ready to adopt dog.

If YES, paperwork for adoption proceeds (adoption contract is signed and adoption fee paid) Adoptions are not finalized until certificate of spay/neuter is received.

If NO, the dog will be put up for adoption by HRI (listed as available on HRI's website). The pre-adoption deposit will be refunded.

Pre-Adoption Deposit (before/upon receiving dog (s))

\$100/adult dog

\$250/puppy (under one year)

The deposit will be applied toward the adoption fee of the F2A dog

Ages 2 and under: \$200-\$500

Ages 2-7: \$175-\$350
